

ROYAL SCHOOLS MEMORANDUM 2022

SCHOOL: ROYAL SCHOOLS SKY CITY
TO: ALL PARENTS
FROM: SCHOOL BASED SUPPORT TEAM
SUBJECT: HEALTH AND SAFETY
DATE: FEBRUARY 7, 2022

Dear Parents / Guardians,

As a school we have noted with great concern the disturbing surge of the presence of space cookies in the school. Such products are harmful to our learners and we are taking a firm stance against any learners who are bringing these dangerous substances into the school environment. Our school is meant to be safe for learners to grow, not just academically but also socially in preparation for the big world.

In light of this, NO learner will be allowed to bring any cakes, scones or muffins to school. An exception will be made for learner birthdays. If your child is celebrating his/hers the parents need to deliver the cakes to the reception and it will then be taken to class. Kindly relay this information to our children.

Should a learner need to use any form of medication, this should be handed in by the parent at the front office at the beginning of the day. No medication will be allowed at school unless prescribed by a physician. (Proof needs to be submitted)

Thank you for your unwavering support, it is greatly appreciated.

Kind Regards

Royal Schools Sky City Management

Mrs E Botes
